NEWS RELEASE

A Meeker County Trails Survey has been developed and is currently available online at the following link:

<https://www.surveymonkey.com/r/MeekerTrailsSurvey>

The purpose of the survey is for citizens to provide comments on local trail use, issues and potential projects in Meeker County. Your answers will remain confidential and will aid in the development of the Meeker County Trails Plan, which is currently being developed. The survey will only be administered online and is available until November 23, 2018. Please visit a public library if you need access to a computer. For questions on the survey or the Meeker County Trails Plan, please contact MMDC Community Development Director Matthew Johnson by email at communityplanning@mmrdc.org.
