

ENERGY EFFICIENCY AND CONSERVATION STRATEGIES GRANT PROGRAM

Applicants:

Eligible applicants include cities and counties with a population of less than 15,000 residents. These communities must be located within MMDC's four-county region (The MMDC region includes the counties of Kandiyohi, McLeod, Meeker, and Renville).

PROJECTS

- Energy efficiency and climate resilience plans
- Energy audits on government buildings
- Engineering and technical assistance services
- Other energy related studies for public buildings and to support community plans

Grant Award:

The maximum grant award will be \$20,000. Eligible projects may be combined to meet grant award minimum/maximum amounts.

- Development of energy efficiency and climate resilience plans (Maximum grant award: \$15,000 for cities and \$20,000 for counties).
- All other eligible projects (Maximum grant award: \$5,000).
