Descriptions and Disclaimers

About the Mid-Minnesota Development Commission: The mission of the Mid-Minnesota Development Commission (MMDC) is to provide technical assistance to government, businesses and local organizations; administer state and federal programs, and coordinate multi-jurisdictional activities to maintain or enhance the quality of life in the Counties of Kandiyohi, McLeod, Meeker, and Renville. The MMDC is a political subdivision guided by a Board of Commissioners from a cross-section of constituents. The Commission receives financial support for its activities from a variety of sources, including local tax levies, federal grants, state grants, and contracts for technical assistance. There are nine active RDCs in Greater Minnesota.

About the Mid-Minnesota Regional Transportation Coordination Council (MMRTCC): The Mid-Minnesota Regional Transportation Coordination Council, or MMRTCC, works to bridge transportation gaps and provide transportation solutions throughout our four-county region, so that all our residents can fully participate in and contribute to community life. We are a collaboration of various stakeholders including health-care providers, human service agencies, and others who serve people with transportation barriers. Most of our funding is provided by a grant from the Minnesota Department of Transportation.
