Introduction

The Mid-Minnesota Development Commission (MMDC) is part of a statewide network of Regional Transportation Coordination Councils (RTCCs) working, with assistance and funding from Minnesota's Department of Transportation (MnDOT), to address transportation barriers in the rural counties that make up their regions. The Mid-Minnesota Regional Transportation Coordination Council (MMRTCC) serves Kandiyohi, McLeod, Meeker, and Renville Counties.

This guide has been produced to provide community members with the information they need to make informed transportation-related choices. Please note that changes are made regularly, and the most current version of this guide can be found online at: www.mmrhc.org

Transportation Types: Explained

Charter Service	Charter services include coach bus tours or rentals of large vehicles for events. Each charter service provides different options and prices vary accordingly
Day Training and Habilitation (DT&H)	Day Treatment and Habilitation transportation services are typically provided exclusively to DT&H clientele
Intercity/Interstate Bus Line	Intercity/Interstate Bus Lines provide long-trip services across county and state lines.
Non-Emergency Medical Transportation (NEMT) and Specialized Transportation Service	Non-emergency medical transportation/ Specialized transportation supports transporting individuals with medical-related needs in non-emergency situations. It is for those who require special medical attention or accommodation. NEMT/STS services are often used for rides to and from medical appointments.
Shuttle	Shuttles are often used to deliver riders to and from airports, hotels, casinos, and other popular locations. Shuttle services in this area are typically delivered on-demand. Riders call when transport is needed and await pick-up.
Public Transit	Public Transit providers (e.g. Central Community Transit, Trailblazer Transit) provide a variety of services including on-demand ride services. Please see the Central Community Transit and Trailblazer Transit pages for more information.
Volunteer Driver Program	Volunteer Driver Programs use community volunteers to provide rides for a variety of purposes. Volunteers can often provide rides that other providers cannot, due to service area or time of day. These programs provide riders with an individualized ride experience, specific to their needs.
Taxi	Taxi and cab services provide an on-demand service from point A to point B with a metered payment system.

About the Mid-Minnesota Development Commission:

The mission of the Mid-Minnesota Development Commission (MMDC) is to provide technical assistance to government, businesses and local organizations; administer state and federal programs, and coordinate multi-jurisdictional activities to maintain or enhance the quality of life in the Counties of Kandiyohi, McLeod, Meeker, and Renville.

The MMDC is a political subdivision guided by a Board of Commissioners from a cross-section of constituents. The Commission receives financial support for its activities from a variety of sources, including local tax levies, federal grants, state grants, and contracts for technical assistance. There are nine active RDCs in Greater Minnesota.

About the Mid-Minnesota Regional Transportation Coordination Council (MMRTCC): The Mid-Minnesota Regional Transportation Coordination Council, or MMRTCC, works to bridge transportation gaps and provide transportation solutions throughout our four-county region, so that all our residents can fully participate in and contribute to community life. We are a collaboration of various stakeholders including healthcare providers, human service agencies, and others who serve people with transportation barriers. Most of our funding is provided by a grant from the Minnesota Department of Transportation. The MMRTCC is just one of thirteen RTCCs working to improve transportation availability throughout Greater Minnesota.
