

[ACGC School District ISD 2396]

SAFE ROUTES to SCHOOL

*A plan to make walking
and biking to school a
safe, fun activity*

PROGRAMS EQUITY + EDUCATION + ENCOURAGEMENT + EVALUATION

WALK! BIKE! FUN!

What: Classroom curriculum that teaches children the rules and laws related to walking and rolling.
Who: Mr. Fellows
How: Physical education classroom curriculum
When: Annually, during physical education classes

BIKE FLEETS

What: A great opportunity to learn about bike safety and bike functionality.
Who: ACGC School District and County SHIP
How: County SHIP bike fleet trailer
When: Annually

WALKING FIELD TRIPS

What: Learn safe travel practices while getting out of the classroom to walk to any local destination.
Who: ACGC School District Teachers
How: Planned days with organized routes
When: Annually or biannually

EARN A BIKE

What: A program that provides donated/abandoned bikes and helmets to students in need.
Who: ACGC SD, Atwater PD, Meeker Sherriff's Office
How: Acquire bikes through stakeholder donation
When: Annually

WALKING SCHOOL BUS

What: An option for groups of children to walk to school under the supervision of an adult.
Who: ACGC School District Staff or volunteers
How: Acquire volunteers and set designated routes
When: Annually, as desired

BIKE RODEO

What: An event that presents driving courses designed to simulate actual road situations encountered by bikers.
Who: ACGC School District, Cities of Atwater and GC
How: Gather materials and volunteers
When: Annually, during community events

INFRASTRUCTURE ROUTES + STREET PROJECT

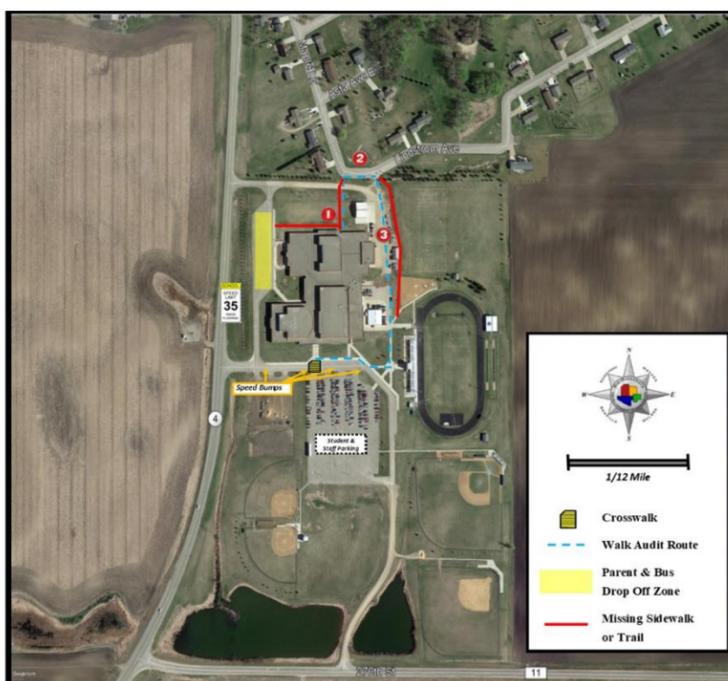

INFRASTRUCTURE RECOMMENDATIONS

These maps were used in the process of making infrastructure recommendations for the ACGC School District.

The first map (left) displays the infrastructure recommendations for the ACGC Jr/Sr School. Several different areas were identified as potential sites for added walking paths/trails. A location for an additional drop off zone was also identified. Crossing infrastructure improvements are needed.

The second map (right) shows an aerial image of the ACGC Elementary School and surrounding blocks. Intersections in need of crossing infrastructure improvements and stop signs were identified around the school. The need for curb cut improvements at a number of intersections near to the school was also identified.

Please see the full ACGC Safe Routes to School Plan for further details.

GET INVOLVED

Plan your walking or biking route with your student, watch for students and respect school zone speed limits, and show your support by volunteering! Contact your school principal to learn how you can get involved.
